

2019

20th Annual
April 25 - 28, 2019

Welcome!

Beginning in 2000, and co-sponsored by Deep River Sporting Clays and Shooting School of North Carolina and gunmaker Atkin Grant & Lang of Great Britain, this three-day Spring Classic celebrates the sport of shooting with side by side shotguns. In 2008, Back Woods Quail Club of Georgetown, SC, joined the celebration and expanded its reach by offering their excellent venue for a second event, the Fall Classic, held every October.

The celebration includes multiple exhibitor tents, in which individuals will have the opportunity to admire as well as handle fine firearms by prominent American, British, and Continental gunmakers. You can watch engravers at work; browse through shooting clothing and accessories; choose from prints, paintings and sculptures; handle exquisite jewelry, converse with outdoor enthusiasts, artisans, and historians from all around the world, and peruse vintage or current books and magazines related to shooting. Gun experts will also be available on site to appraise your firearm.

Outside the exhibition tents, there are friendly competitions in every gauge of both hammer and hammerless side by side shotguns. Novice and expert shooters alike will relish the collegial atmosphere and opportunities to shoot in multiple events for a weekend to remember.

Enjoy this exciting 20th anniversary celebration
of traditional wingshooting steeped
in rich Southern tradition!
